

AHCCCS 834 Ethnicity Code Values with Addenda of Oct, 2001

This is the Addenda submitted on October 31, 2001; it will be applied once these proposal values are approved.

DMG05 1109 Race or Ethnicity Code

New **bolded** codes are addition to the current set of codes. Shaded, tilt, and bolded code applied to AHCCCS 834 code values.

Please note that the documentation didn't mark "P PACIFIC ISLANDER", but if you compare with the previous version of 834 IG, this is also a new added code value.
